Important Information:

- All rooms in which the exam takes place are computer rooms belonging to the computer centre (Rechenzentrum) in **building H** by the library where the pyramid is (see map below).
- Please make sure you arrive at the exam at least **15 minutes** before the starting time, as we have to ask you to sign the attendance list before entering the room for the exam. If we have to move you to another room, this will happen **after** you sign the list at your original room.
- During the exam, please don't panic if there is a technical issue. Moodle saves your answers and stops the time even if you have to switch computers.

Any questions, please contact Svea or Alisa!
